quote:Originally posted by Vipor0968:he can say that Ack because as far a i know hes the only one with a ctf map out there.so hes the master but by default.dont get me wrong though i like his map plenty.could use more ways into the bases though.theres alot of extra space in that map which should be used for something. Am I the only one that remembers C&C Fissure? The second that comes out, we will be saved THANK GOD FOR ACK!
