quote:Originally posted by try\_lee:After playing a game, I can see the map being quite good. The only problems can come from the elevators, which seem to lag like \*\*\*\*. Its really, REALLY bad. Aside from that and the glass being grey, its fine.I said the map wasn't going to be a Mona Lisa. It was really just a test to see how CTF would work out online. I have plans for much better, less laggy maps for the future. No details yet, though.
