lol that make me remeber my path bayound map i made... Ack said it look like super Mario Bros.
lol i got mad a little because he didnt really help me saying to me what i should do to fix this...
but today i think again of this thing and its **** funny lol.. i dont really care anymore cause i
learned by myself i know many stuff... i wont tanx Ack for this [January 07, 2003, 21:45:
