Man, I started it first! Could i posably be able to help you out with it then? If not ill just continue with it on my own. I was just gonna make it the same as dawn no extra stuff, make models how they supose to be. Ok i have replace Renegade_Dawn screen all the pictures have been replaced, some in black and white (The Best pics I could get of them!). Added SScreen of what ive done so far for Artillery.
