quote:Originally posted by slyyman:i am writing this to inform you of the upcoming mod NOVA: Existence Mod For CnC Renegade. this is a great Mod for Renegade and we are hoping that it will go far It is USMC(United State Marine Corps) Replacing GDI taking on Axis's Of Evil (Replacing Nod) It is also set during current Warfare. So expect to see current weapons. We will be making new buildings for both sides. Most likely over 20 maps to play on! Music, Skins, New vechiles! New Guns! Gernades;) Hey maybe even if we decide to new Character models!)=) fore more information please visit <http://planetcnc.com/ammo/nova/> also if u think u can help us with this great upcoming mod visit the website and email BrYaN_USMC. or email me at mackinoe2000@hotmail.comDo i know you?
