quote: No its just some lamer who added 4 Jets to the game... I'd like to see your stuff mate. Only four new jets huh? Get it right, its only two! I am one man, there is a limit to how much i can do. Insead of making some lame maps, i wanted to do something different. And please tell me, why is this so lame? Do you have any idea how **** hard it was to create these jets?? I bet you don't, so before you criticize me, try producing something of good quality on your own.
