You can get it [here](#). before you play let me say this:1. this beta is NOT a full map2. VERY little of the material is done3. defense and asault buildings are only in the same base for testing reasons4. I do not want anyone who has the w3d importer to steal any material from this beta5. special thnx to booth and the creators of the royalty free models(only on in the beta so far)6. oh and please post any suggestions for the current units or units you would like to see
