Here is a shot of a map I tried making a long time

ago.<http://www.n00bstories.com/image.fetch.php?id=1885325585>I have decided it is not that bad of a design and am going to redo it, but better and get it finished. Also using all the knowlege I gained from my Vietnam map.All I am asking is, from just that picture alon, what should I call it?
