quote:Originally posted by Dante:i will personally do everything i can to keep this game alive, whether it being hooking up 1000 pc's and playing on each of the at the same time, or going to each store and buying as many copies of renegade as i can afford a week...btw, i already own 10 copies My parents tell me that I am obsessed with computer games and that my life revolves around them. You are proof that they are not even close. I thank you. [ October 30, 2002, 13:13: Message edited by: DragonFg ]
