I have been having serious problems with my internet connections lately, and my map making skillz have reached a high level. The next time you hear word from me, I will have a very awesome map for your eyes to wrap themselves in. If everything works out I will have two for you. The map/s you will see might have one of these names (I haven't decided yet): C&C\_WhiteOut C&C\_Hoth C&C\_Bulge C&C\_Beyond C&C\_Sniped C&C\_Cradleor C&C\_DogFight [ iz d4|-| vv|k3D 0n3!
