then please please waitradeon 9500 non-pros will be out anytime for around 180and radeon 9500 pros are supposed to be out within weeks for 220 with a 20 dollar mail in rebateli just returned my radeon 9000 pro 128 today at best buy in exchange for a gift card worth 180 bucks. it guarantees me a 9500 at least, but ill probably pay 40 bucks extra for a 9500 pro, since it has twice the amount of pipes.
