This is an improved version of the GDI Construction Yard with ramps to be used in maps with aircrafts. Model tested and completed by StoneRook, Bumpaneer, Aircraftkiller and me. Exterior, Interior, PCTs and MCT included, as well as blockers to avoid beacon exploits. Screenshots: [Screenshot 1](#) [Screenshot 2](#) [Screenshot 3](#) Download: [GDI Construction Yard - 663kb](#) Expect improvements in future, as well as a Nod version, and even one with VIS already included. Enjoy.
