How does it work? What is it for? I gonna try it... u don't know how does it work? But it is dangerous,the vehicle allways explore after i edit it.Yeah! i have finish all the missions now(with Hex Workshop 3.11) I don't need cheats any more. But anyone knows how to make -console-cheatcc work?What a beautiful shape of postingSomeone said put -console cheatcc in the short cut command will work, but it didn't....lots of webpage said that.But i need cheats to play in the "hard" game
