----- Seems strange ack. Youd rather be enemies, and flame each other, which is spam. Youd just help contribute to the spam. What im trying to say is, that it would be foolish to continue this childish squabble. ----Why isn't there anything about what *you* would do? You have the power to end everything by not writing a word to me or about me again. Yet, you choose to fight a war you'll never win. That is how you are manipulated. That is why I laugh at you.
