----- Hold the phone. Im confused. If you truly hate a person, how come you keep begging him for maps? You cant truly hate a person if you like him in some way. Im just tired of the flaming. Ack has started some flaming. I have started some flaming as well. My main goal was to stop the flaming (which me and kai did along time ago, and we actually became friends) but that goal seemed to have slipped past my view. But I cant complete this goal if I keep starting flame wars with ack. Im willing to try to start a friendship, and put aside our differences. Their is no reason why we should all be enemies on this board. Are you willing to accept my offer ack? Can we put aside our differences, or will we be enemies forever? ---I'll think about it. Maybe, just possibly. [ July 08, 2002, 20:37: Message edited by: aircraftkiller2001 ]
