You're real special... Learn how to map, you homosaurus. [/QB]Reg you must feel exhilarated beating all these people down, like you're on you're own little power trip right here, and i'm so glad to witness you make a complete fool of yourself. Man all you do is quote people and hit back, what the hell man? Do you hate life? Do you not care for anything or anyone? Does this look like a "see reg masturbate" forum? Well you're making it so. You like p1ssin' people off don't you? Well be proud of yourself, cause you got me too!! Oh yeah i'm mad at you and i'll hate you all my life reg, you make my life miserable and i can't sleep no more 'cause of you. What have you done? What love have you not received to project such hate over the internet? Go get some sun or somethin'.What i hate the most about you is low blow comment on that map. I really don't care about the little person you are, but taking out someone like that for the work he's done is plain immature. There is tact in life you gotta learn, but you obviously don't care much about anything. You have no idea how i'm this close in telling you what i think of YOUR map, the one you've spent hours, days and weeks on. You ain't got no more respect from me Ack.But hey, you don't care.Right?Right.Well me either and keep your poodle-biting-defense-mechanisms to yourself next time you comment a map.
