hey,Haven't posted about this in a while, but Final Siege really needs some staff. We need:Mappers (need these really a lot)Full time skimmers (we have a freelance skinner, but we need some dedicated skimmers)Modellers (our other modeller seems to have disappeared and we need a couple more modellers)Email me at Sadistic_Turtle@hotmail.com if you are interested in helping, please include samples of your work or information about yourself that will convince me you will be good for the mod.Our website is <http://www.planetcnc.com/finalsiege> so you can get more information on the mod there.If we can get people, this mod should be very good and probably very popular.Thanks,S_T
