quote:Originally posted by Darklord:Just tell me if its possible.Com on hmmmmm chesse you seem like the big cheese around here is it possible.he isnt the big cheese, but hes a good modder. You dont just have to ask him. There are alot of other modders too. And coop is possible cause someone made a coop mod. Im workin on a map now that is based on the level after the intro but its not for coop, its a big multiplayer map, and u can buy vehicles and characters. Gdi side is done so im working on nod now.
