I think that post is new. So I made this before hand, and I did see it (though, I still want the one gun in the mission after you get captured, since you lose all you guns except for the pistol. and it'd be nice if you could heal the people/vehicals you were suppose to protect)Well, that leaves the parachut left to be found out.[ April 13, 2002: Message edited by: generalfox ]
