I know the Renegade server world is vast and expansive and exists on 3 or 4 different matching server-lists. But, I rarely see forum folks online.

So my question is this:
Where and when can you be found playing Ren?

My answer: I ususally play late evenings, and since I tend bar, I play at bartime. Ususally I can be found on the PITS, because they say my catchphrase for me when I log on. Otherwise I am playing on Gamespy with clan-mates or grabbing ladder on Lightspeed.
