okay twit let me put this plainly. PEOPLE FUCKING MAKE STUPID COMMENTS WHEN EMOTIANLLY DISTRESSED. NOW GO FUCK A DUCK AND SCREW A KANGAROO. 69 a PORCUPINE. I dont FUCKING care what the FUCK you do, just GET OFF your fucking HIGH HORSE, STOP THINKING YOUR PERFECT, AND PAY ATTENTION TO WHAT I SAY. 'no idea what im going through' obviously hints to the fact that i am emotianally distraught.
