AircraftkillerKIRBY098Sir PhoenixxNo, the Reborn team in general started all of this.

Do you seriously expect us to believe that statement?

Go back and look at the comments your "leader" has been making in this and every other topic related to reborn , and re-evaluate it.

You will find "REBORN SUCKS" in quite a few places I'm afraid.

You'll find you need a history lesson..

Hardly. You are as predictable as ever.
