HELLBILLY DELUXELMFAO

Assrammer of Dawn really made me laugh.

It was the way, that Reborn was like the No.1 mod in progress out there and they were talking shit about Renalert (lots coming from the YMCA guy).

Now it's the other way around and ACK is having his little payback.

I don't say it's the right way to act, but I can understand it.

Payback long enough I think. Let's be a community. Not a group of retarded arguing ass. ( I stop that, I admit :oops: , I argued ! now it's over. )

I apologize for my 'flame' here.
