Alright, I'm still not at home yet, but we stopped somewhere else.

- First, I'd like to correct that stupid mistake I have made when I said that french was the second language of Florida, it's not, obviously spanish is and french comes in third.

- I'd like to hear some news from the community.

- Umbral, what's with that forest fire near Miami? Oh, AND HOW COME YOU WEREN'T THROWING EGGS AT MY VAN!?

- I didn't take as many picture as I thought, actually, I thought that the landscape pretty sucked, the beach in the keys, well, Key Largo was a dump. So basicly all I have is those gorgeous in-flight pictures and the 27 pictures I took of a coral reef, they'll be published later since they're "old fashioned".

- Blue Moon needs a paint job and the pool's water tastes like urine.

- Key West is full of roosters and homosexuals, harr.

- People barely know how to drive in the Miami area.

- I went to Sea World ONCE, just because we already bought the tickets, it wasn't so bad.

Yeah, and it's the last freakin' (sorry, but they stress me way too much to travel with them again) time that I travel with my family, time for a car!
