WOW i always wanted to do that, one of my friends can do some on that but not as good as on the vid. I'm going to dl and watch it and try not to lose any of my pens.
PS while trying to dl the file i found a really funny "ERROR 404 PAGE NOT FOUND page"
<http://240gp.ovh.net/~koreus/404.html> read the message in the test box
