hydra1945SEALIraq kicked the weapons inspectors out?!

Of course it did. Why the question mark?

<http://www.fair.org/extra/0210/inspectors.html>

Quote:"The U.N. orders its weapons inspectors to leave Iraq after the chief inspector reports Baghdad is not fully cooperating with them."

I just google searched "iraq kicked out weapons inspectors".

I always thought they were pulled out, not kicked out... I do not mean to argue. Please correct me if I am wrong.
