npsmith82Twl\$TaBlazerLOL...sad.

all you gonna say ..or u gonna say sumtn less pointlesS?
That's pretty much all there is to say on the topic, it's not going to be blocked because it's a ridiculous idea.

Why don't we all just strap a pair of binoculars to our heads, or a real magnifying glass, so we can see the pixels closer... :rolleyes:
I must know something right if you keep using my words.
