PointlessAmblerPeople! Aircraft is one word! Killer is another word! That means when we abbreviate the name "Aircraftkiller," the abbreviation is AK! Not ACK!

Yes, but they abbreviate how many... errrr.... things the word has. I forget the name, but when you say a word like 'Aircraftkiller' it has 3 of these, so people abbreviate the first letter of them. Unfortunatly I have a great idea of what I'm talking about but forget the word for it.
