AircraftkillerIt's this, not "dis."

AirCraftKiller when are you going to grow the fuck up. When your not playing out your resident forum nazi job, what do you do in your spare time? Oh yeah i remember you whine incessantly about other people's good work.

"Dis" is a regional slang variation of "This" in England.

Stop fucking whinging about everyone else and say something constructive.

\*awaiting a typically predictable reply from ack\*

P.S. you just corrected a teenage girl's spelling, YOU THE MAN ACK, YOU THE MAN
