CrimsonJust because Aircraftkiller is pro-RenAlert doesn't mean BHS is. You take all of his actions to speak for the rest of the group, when in fact you couldn't be more wrong. BHS supports any and all modifications and work for Renegade, and we have no plans to exclude ANY modification with our tools.

Yes, but sometimes one can create bad reputation for the whole group. The only good thing i've heard so far in the Reborn-BHS relations is from Angel of Dawn, saying Reborn will use RenGuard. And everything else is of this quality:

Quote:Reborn still sucks

Quote:If I had the chance, I'd wipe my ass with you and toss you on the street corner like I did Reborn...

Quote:Reborn already does a good job of making Renegade look bad.

Quote:Reborn

Quote:He's using Reborn as "art," man, must be one of those abstract kind of artists. You know, the ones who think a toilet bowl in the corner of a room is art.

-What the Fuck?!

Its like a zoo in this forum O_o.
