SEAL And you remind me of a 20 year old loser who spends 90% of his life at a computer, and whose life revolves around a game modification, so what's your point?

Normally I wouldn't post in a manner that could give the impression that I'm helping/defending Ack. However...

You remind me of a 20 year old loser who spends 90% of his life at a computer and just got housed by another 20 year old loser who spends 90% of his life at a computer. What's your point?
