Terminator 101Imdgr8oneNeox is now wanking off to that picture

What does "wanking off" mean?

1. Find a nice sexy image and/or video to watch that sexually arouses you. (In NeoX's case a picture of ACK is excelent, but for the rest of us a hot women works great. try <http://www.booble.com> and do a little bit of searching)

2. Take you hand and place it onto your penis.

3. Firmly grasp your penis.

4. Move your hand up and down along the shaft of your penis while still keeping a firm grip onto it.

I can't believe I actually typed that *shudders*
