Titan1x77youve treated me like shit from the 1st time ive said anything to you....why should i treat you with any respect?

Give me one good reason why i should respect your wishes?

Making threats to treat me like shady and allgusto???i dont know how you treat them and i dont care how you treat them.

Im gonna treat you like the bitch you are...Go suck down a gallon of cum you queen.

One good reason: Your maps will never be run on The Pits if I inform msgtpain that you're a thieving liar, which is what I'm about to go do.

Then I'll make sure the community shuns you globally for crimes against the community, e.g. thievery. Would you like that?
