<http://anandtech.com/video/showdoc.aspx?i=2113&p=4> Here Nvidia is faster
BUT HERE

<http://anandtech.com/video/showdoc.aspx?i=2113&p=4> ATI is faster

Here are some other benchmarks from Tom's hardware

<http://www20.graphics.tomshardware.com/graphic/20040723/his-04.html>

Newer games DX9 run faster on ATI than Nvidia.

here is the most trusted hardware site, please see. the nvidia card costs more takes more space,
is louder and even runs slower.
