That still doesn't change the fact that you can't come up with own ideas.
Who was the one who thought of fixing all the stuff?
And who was the one who had the first successful implementations?
It was definitly not you. You should be happy that I have no way to get over there to australia.
That just shows once again that you are a big, fucking lamer.
Now go and have fun with your Rebarn friends.

And you better not steal my Set_Animation fix.
