so i can download their shit.

I couldnt resist to quote some more

Aprimerm5248So I was playing Ren Alert, and I thought that it was kindof odd that the Dev. team  
still hadn't changed the begining videos yet. So here is my 2 cents to RenAlert: my un-official Ren  
Alert intro movie! (also has the Red Alert part of Einstein eliminating Hitler) Click me!

I registered, but how the fuck am I supposed to view it?

The answer is below, in case your eyes fail to identify the target link ive highlighted it with yellow  
writing:
