I don't recall Bush saying

"I as President, have ordered the immediate invasion of Iraq... but DEFINATELY NOT to free the Iraqi people. If that happens I'ma gonna go cry..."

"I'm gonna go pick up a burger"

"You got FRIES? YOU DID NOT MENTION THESE FRIES"

"I didn't say I wouldn't get them"

"YOU ONLY SAID BURGER... BURRRRRRRRRRGGGGGGGEEEEERRRRR"

foaming

<Later at the Emergency Room>

"What happened to this one?"

"Heart attack induced by political angst over a misinformation on fast food"

Or something...
