I have started a record label...sorta...ya know...something to do. And I was wondering if anybody who wants to join. Artists, groups, etc...

JRecords is Hip-Hop so far...We have 1 group. I was also wondering if anybody wants to do graphics and logos and cd stuff. If you're interested email me or contact me on one of the instant messengers that are in my sig below. The site (just the layout) is up now.
