I have all of them, my video folder is over 1 GB.

Could you tell me which ones I'm missing? I listed what I have above.

Looks like 37, 38 and the PSA's.

I have 37 & 38. I also have PSA 3, PSA 6, PSA 7, and E3 2004 Video.

So I need PSAs 1, 2, 4, 5, ...?
