It's a pity you live in America... I'd crack your skull open and take pictures to post here so we all can laugh.

So to start with, re-arrange these words to make a famous phrase:
up shut the f**k

Secondly, who was talking crap about paintball? Or are you paranoid

Third, seeing as we're little kids, how come we can spell? Also if you'd like to disclose your age, for I am 24.
