Ya... that doesnt make much sense. How can they be offended if you call them a liberal? Call me Conservative... Call me Conservative... Call me Conservative... Call me Conservative... Call me Crimservative even! It's all good to me. I would think they'd like being called a liberal as much as we do Conservatives...

Hey Man!

Fuh! *Pshaw* Well! I delcare! *gufaw* I have never been so insulted as to be labled 'MAN'...

Well I called you man cause... your frankly not a chick...

Same deal. Prolly. It might not be. It's late so this post has about a 50% chance of making sense.
