Aircraftkiller Resembling a character doesn't make me gay.

And if you actually *watched* Family Guy, there's more than one occasion where that guy in your avatar spends his time looking at women that are actually men. Real straight there, buddy..

I have every episode on DVD. The only time there is something like that is with transvestites, which, once Quagmire realizes what they are, he gets freaked out and/or runs away. Don't question my Family Guy knowledge.

I So you don't like "Ack", "skins", and now you're adding "flaming" to your list?

So don't be surprised when it get's thrown back in your face for an equally trivial reason.
