Subject: PT Hack Needs Fixing Server Side Preferred
Posted by zunnie on Sat, 14 Aug 2004 10:39:38 GMT

I think i have made a fix for it now, thanks to silent kane for telling me what to do.
Only i dont have this n00b-hack so i cant test it. We'll have to wait and see.
If the PT-crashes stop now suddenly i guess it worked then.
