As put on the Reborn site...

permagrin This in turn makes me wonder about his other models and I will certainly wonder about his future models.

Hate to say it. If he would just said in the 1st place he took it from there, then everything would be cool. Since he claimed them as his own, I suggest he be taken off the team (based on the reasons I stated above).

And the reason for myself not wondering about his models. 2 things...

1) I know a 16 years old that KICKS ASS, so its not entirely impossible.

2) I got my own work to worry about.
