Shut the fuck up.

Why do you all you fuckers keep trying to make America the bad guy!

Are you really that fucking stupid? Saddam is the bad guy. Saddam is the one doing all the horrible shit. Stop protesting the US and go fucking protest Saddam. All you peace loving fuckers are a bunch of hypocrites. We did not do a single thing wrong. Saddam was the asshole killing people. We went there to stop that. If your stupid fucking head cannot agree with than sit down and shut the fuck up because we simply do not want to hear your stupid fucking logic. We do not fucking care.

I also don't fucking care how childish I may sound. I don't give a fuck. I don't care, if you guys are going to stay fucking retarded do it in Canada or where ever the fuck you are from.

And nodbugger ... as a Republican myself, I just have one simple request for you ...

SHUT THE FUCK UP.

You make the rest of us look like morons, and I don't appreciate that.
