SuperFlyingEngicowmisfit, FOX News is not the truth. It is one big batch of steaming hot crap.

Foreign news is much better than American media. Pretending it isn't shows that you don't have the slightest inkling of what you are talking about.

Any News that isn't American pretty much hates America. They are all idiots.

And you are wrong about FOX.

I believe the correct figures are 64% of Canadian teens think America is a force of evil and 74% of French Canadian teens thinks America is a force of evil.

Well lets see how evil they are when they are invaded by Turkey.
