cowmisfitWere not morons, moron.

I beg to differ, friend.

Quote:Anyone up for ddosing EAX?

Quote:easucks1020

ilovethebackstreetboys <----- no one will suspesct you with that one

Quote:I think I'm starting to break down Cyberpunk a bit. It's not gonna be easy, but I think I have a chance to stop him from using exploits and insted, fixing those exploits.

Quote:I'm "i <3 clay aiken"

Quote:At about 3 AM tonight I should get on and spam up their boards with like 200 topics promoting RenGuard . . .

Sorry, don't seem like the smartest things to say on the main renegade forum and on the most public category. Oh and just so you know, you can be anti-cheat and still be cool with people that cheat. By the way, you missed out an apostrophe on "were". It looks like you're saying something like "we were not morons, but we now are." (cmf)
