I am not german.

I speak french, english or dutch, where do I live ?

well that was funny : <http://rebornownsrenalert.4t.com>

Don't know who did it, but interesting.

And don't complain ack, you still use <http://www.cncreborn.com> ...

(And again, by looking at your picture, I see you take stuff too much seriously. Try to smile sometimes...)

Anyway panther, I am still looking for a good host and a new website... If you want to support us...
You're welcome !
