GunVixen, could you upload your picture somewhere else, I just keep getting the image hosted by AngelFire thing . . . Even when I copy the URL of the image and place it into the address bar, it still does that . . . Well, here's the picture of me from the last one, roughly a year older than this picture, but I don't have any that are more recent . . . I am the one on the right . . . http://www.n00bstories.com/image.fetch.php?id=1105942321

Here's my demonic kitten
