NO ONE

I include the last option so you can decline to vote and still see the results. But if "NO ONE" wins, then no one wins.

Please vote for the person you feel is best qualified and will do the best job, even if you don't think the "popular" vote will swing that way. The second place winner might also get moderator status.

When you vote, consider that person's ability to act without bias, to be here often, and to help LEAD this forum, not just keep it clean.

The poll is set for 3 days. Some time on Monday, I will take the results of the poll and set up the winner.
